

TOTAL 10G MADE EASY

Learn more today: bundle@rocnetsupply.com

Sleep well at night knowing your network is robust and redundant: Our Cores/Controllers and CIN/TOR switches come equipped with full hardware and software redundancy, safeguarding your network against downtime and ensuring continuous, optimal performance. Our technology bundles meet your needs and propel your business forward.

What's Included

| Component | DOCSIS DAA Core/ R-PHY | DOCSIS DAA Core Bring Your Own Node | R-MACPHY | 10G EPON Remote OLT | 10G EPON OLT |
|---|--|--|---------------------------------------|--|--|
| CCAP/Controller | Redundant Secondary market Core with RPHY cards (today). Vecima vCCAP Core (coming soon) | Redundant Secondary market Core with RPHY cards (today). Vecima vCCAP Core (coming soon) | Redundant Vecima Access Controllers | Redundant Vecima Access Controllers | Redundant Vecima Access Controllers |
| Nodes | 5, 10 or 25 Vecima 1x2 R-PHY nodes | 5, 10 or 25 Vecima R-PHY 1x2 RPD drop-in modules | 5, 10 or 25 Vecima R-MACPHY 2x2 nodes | 5, 10 or 25 Vecima 4 port R-OLT nodes | 1, 3, or 6 Vecima 16 port 10G EPON OLT |
| CIN | Redundant IP Infusion CIN/TOR Switches | Redundant IP Infusion CIN/TOR Switches | Redundant IP Infusion CIN Switches | Redundant IP Infusion Aggregation Switches | Redundant IP Infusion Aggregation Switches |
| Accessories (Optics, Cables, etc..) | Included | Included | Included | Included | Included |
| 2 year hardware warranty & support | Included | Included | Included | Included | Included |
| Licenses | Included | Included | Included | Included | Included |
| First device turn up and config | Included | Included | Included | Included | Included |

Optional Bundles

| | | | | | |
|---|---------------------------------------|---------------------------------------|---------------------------------------|--|--|
| CPEs | 1000, 2000, or 5000 D3.1 Cable Modems | 1000, 2000, or 5000 D3.1 Cable Modems | 1000, 2000, or 5000 D3.1 Cable Modems | 1000, 2000, or 5000 D3.1 10G EOPN or XGS-PON ONU/ONT | 1000, 2000, or 5000 D3.1 10G EOPN or XGS-PON ONU/ONT |
| RocNet Onsite Rack/Stack | Optional | Optional | Optional | Optional | Optional |
| RocNet 1 Hour Technical Help | Optional | Optional | Optional | Optional | Optional |
| CGNAT Bundle | Optional | Optional | Optional | Optional | Optional |
| Video Bundle | Optional | Optional | Optional | NA | NA |
| Switch Bundle | Optional | Optional | Optional | Optional | Optional |
| Spares Bundle | Optional | Optional | Optional | Optional | Optional |
| Monitoring Bundle | Optional | Optional | NA | NA | NA |
| OOB/ Return Path Monitoring Bundle | Optional | Optional | Optional | NA | NA |
